## Feichten Dorflift (village lift)

### FOR FABULOUS SKIING FUN DIRECTLY FROM FEICHTEN

The popular village lift is located directly in Feichten. Here, kids and beginners can enjoy learning to ski or snowboard or practice their skills. Featuring a conveyor belt, tow lift and rope lift, there is something for everyone.

The beginners' courses from the Top Ski School Kaunertal will take place in the newly built Kinderland area. The ski school office is also located here.

## Kaunertal Talmuseum (Valley Museum)

### A JOURNEY THROUGH TIME

The collection details old ways of living and economics in the valley. The museum is located next to the Hotel Weissesepitze in Platz and is housed in the basement of the campsite administration building. A tour through the museum (8 rooms) gives you a brief insight into the history of the Kaunertal valley.

Photo: TVB Tiroler Oberland / Severin Wegener

### OPENING HOURS

- Daily - check in at the Hotel Weissesepitze reception desk

## Naturparkhaus Kaunergrat

### EXHIBITION: 3000 M VERTIKAL

Tyrol's first nature park house features the popular exhibition 3000 m VERTIKAL! Whether you prefer well-prepared cross-country ski trails or winter hiking trails, the beauty of the Piller Sattel ridge will inspire you! The exhibition invites visitors to enjoy an interactive hike from the rugged and imposing peaks of the Kaunergrat ridge to the warm and dry sunny slopes of the Inn valley. The film "Dream Journey into the Past" takes visitors back to the long-ago Bronze Age and Roman times and showcases the nature park during the changing of the seasons.

Photo: TVB Tiroler Oberland / Severin Wegener

### OPENING HOURS FOR THE EXHIBITION

- Daily from 10 a.m. to 4 p.m.

## "Mit aller Kraft" Climate. Glacier. Kaunertal.

This permanent exhibition explores a variety of perspectives revolving around climate and glaciers. It provides insights into global climate research and presents the scientific findings of ongoing studies at the Gepatschferner glacier at the end of the Kaunertal valley. The first promising results for our future are presented along with a variety of ideas and the great effectiveness of local climate initiatives in the Kaunergrat region. The solidarity of people in the remote Kaunertal valley is also highlighted. The exhibition explores the topics of climate and glaciers by means of architecture, art and music. The construction of the power station in the 1960s is recounted and the people of Kaunertal are given voice.

### OPENING HOURS

- Thursday to Tuesday from 2 - 6 p.m.
- Entry: Adults €5 / Children €3
- More info at [www.quellalpin.at](http://www.quellalpin.at)

Discount with the Winter-TAL-Card
